

## Statement Concerning MATLAB

I certify that a Software Licensing Agreement exists between me and *Mathworks Inc.* and that I am therefore authorized to access the **MATLAB** installation at the **Centre for Advanced Computing** at Queen's University through the associated license file. I am aware of the licensing terms and will abide by them.

I also certify that I am working in an academic Department and will use MATLAB only for academic, non-commercial research purposes.

Furthermore, I will not make MATLAB access available to anyone other than myself.
