

# Statement Concerning Matlab

I certify that I am accessing the MATLAB installation on the compute systems of the Centre for Advanced Computing at Queen's University under the terms of the license agreement that exists between Queen's University and Mathworks Inc and that covers academic researchers using these systems.

I will not use this access for any other purpose than academic research, particularly excluding commercial use. I will not make copies of the software or of license keys.

Furthermore, I will not make Matlab access available to anyone other than myself.
